## The best beds in Essaouira?

Our guests certainly think so! With memory foam mattresses, egyptian cotton bed linen and fine goose down duvets, you won't want to get up in the morning!

## Couples

All our rooms are suitable for couples, but those looking for some romance will particularly enjoy our cosy Ghibli suite with its romantic open fire and roof terrace location, the perfect place to enjoy candlelit dinners under the stars.

## Families

We can make up an additional single bed in the sitting room on the ground floor and Alizee can take additional twin beds on its mezzanine level. (Bear in mind that this is reached via a steep staircase). Two baby cots are also available for any room at no additional charge.

## Groups

With three self-contained suites & shared terraces, Dar Lazuli offers the perfect mix of communal areas & privacy for groups travelling together. And with everything in walking distance, you don't need to worry about sharing transport!
